Gramazin Radio

The **Gramazin Testimony Report** airs each weekday on WEZE 590 AM in Boston at 6:55 am during **prime commuting time**. The show also airs on WROL 950 AM. Combined between the two stations, The Gramazin Testimony Report is on the air in New England **5 times each weekday**.

Special Guests from Around the Nation

The **Gramazin Testimony Report** airs testimonies from Christian influencers around America. Here are the faces of some of the people we have interviewed.

New England Testimony Challenge

Our goal is to air on the radio one testimony from every Bible-believing church in New England. We believe the Gramazin New England Testimony Challenge, when embraced by dozens of churches in all six New England states, will spark a spiritual revival in New England. We believe New England will become the example for other regions across America to follow.

What do 130,000 daily listeners look like?

A stadium with a capacity for 130,000 people. Promote your podcast, book, ministry, organization, or business to a “stadium” filled with Christian listeners seeking to grow spiritually.
